

Product Description

Halogen globe light bulbs

Elevate your space with Todaybulb's large clear globe light bulbs, designed to provide a bright light and aesthetic charm. Available in three sizes -G80, G95 and G125. The crystal clear glass ensures the light shines uniformly and filling the space with a soft and inviting glow. These global halogen bulbs feature 20% energy savings compared to traditional incandescent lamps.

Advantage

- Choose your perfect size

Tailor your lighting to fit the scale of your space with three available sizes, G80: ideal for smaller pendants or accent lighting; G95: a mid-sized option; G125: the largest in the collection, perfect for bold lighting displays and grand installations.

- Excellent Color Rendering

The Todaybulb's E27 halogen globe bulbs are with impressive CRI≥99. Objects will appear natural, with no distortion or color loss.

- Comfortable Light

The global halogen bulbs provide a gentle warm white light at 2700K that creates a cozy and inviting atmosphere in any room. They are Flicker-free, ensuring a relaxing and comfortable lighting experience.

- Dimmable

These dimmable halogen globes bulbs are fully dimmable. Adjust the brightness seamlessly using any compatible dimmer switch to set the mood you like.

- Easy installation

The E27 halogen globe bulbs are designed for easy installation, making them perfect for a wide range of residential and commercial lighting applications.
